

# SAUEREISEN

## Materials for Corrosion Prevention & Power Plant APC Systems

Since 1899

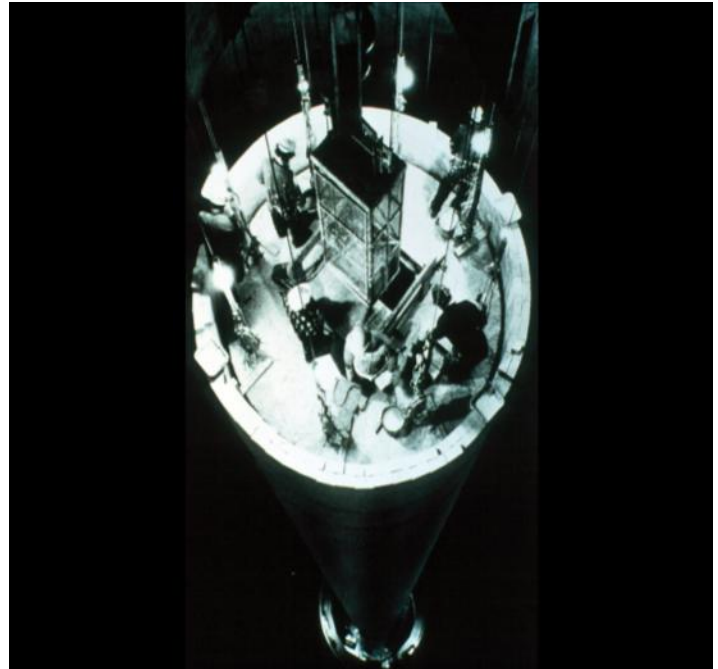

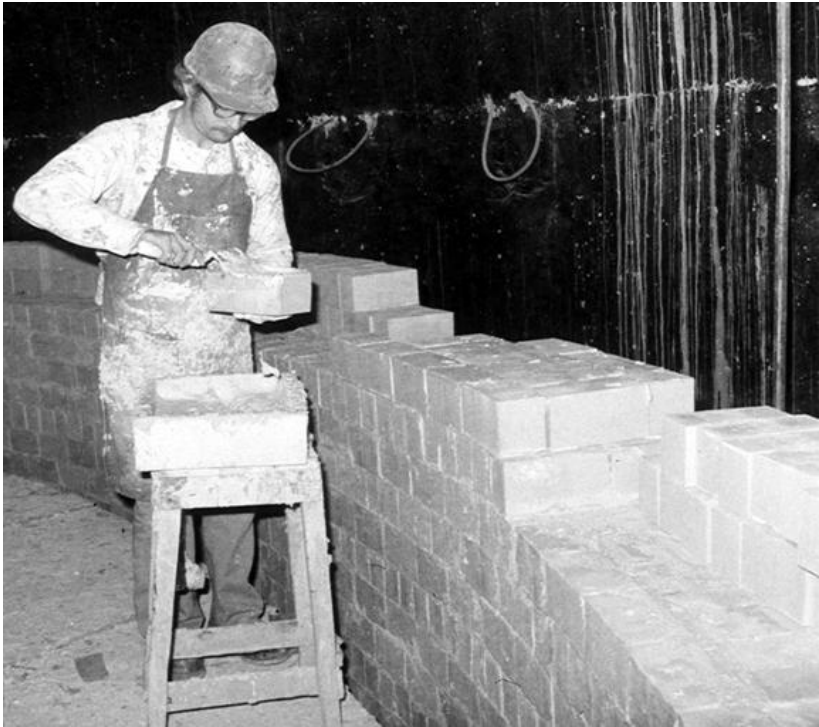

**Over 80 years in the Power generation market ....over eight (8) decades of projects including:**

- **Inorganic Mortars**
- **Inorganic Refractories / Organic Membrane**
- **Organic Epoxy & Vinyl Ester Linings**

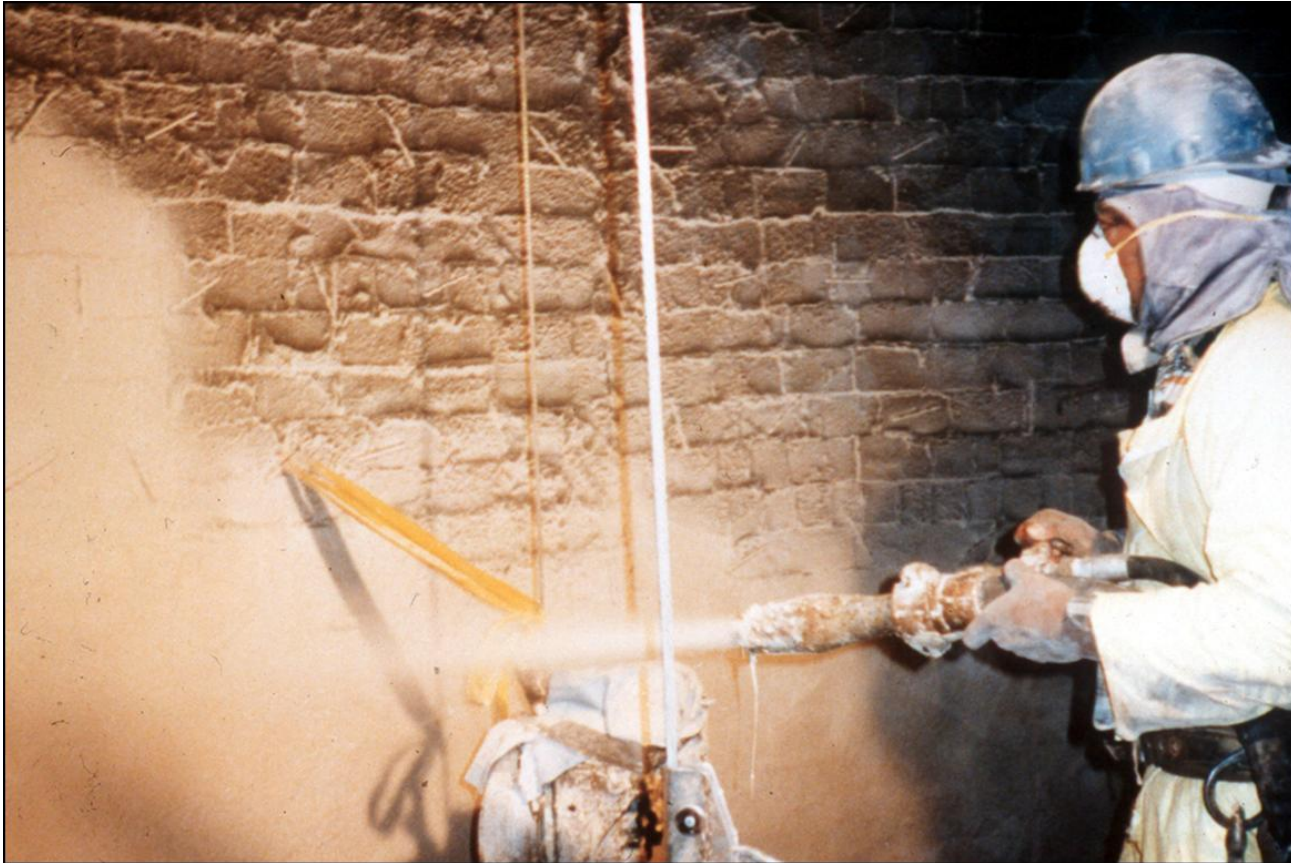

## Independent Brick Liners

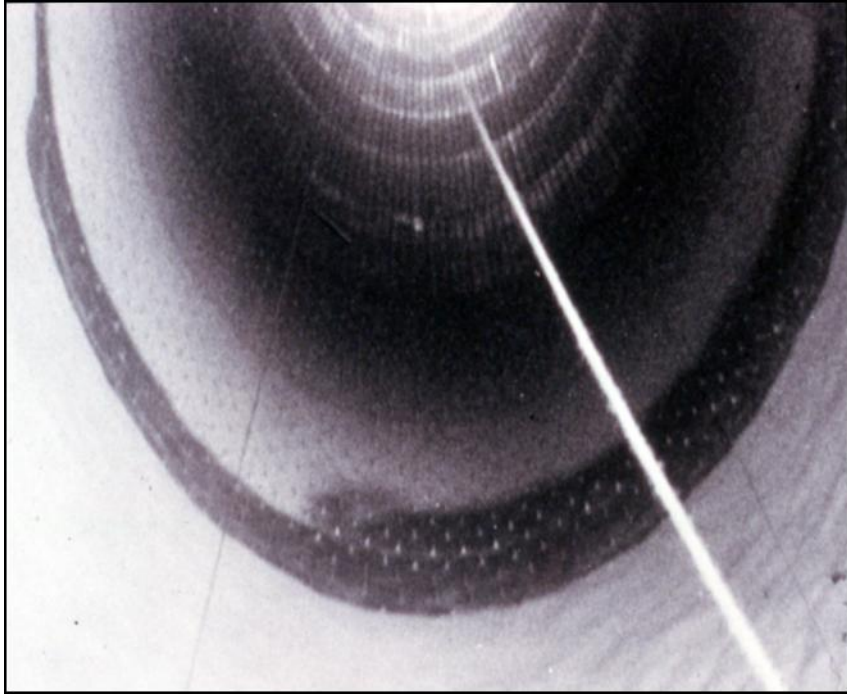

High Temperature Membrane

Gunite Application of Refractory

**Steel Stack**

**Duct**

## Rehabilitation of Chimney Floor with Inorganic Polymer Concrete

## Application of Fiber-Reinforced Lining in Flue Gas Scrubber Duct

## Providing over 100 years of corrosion prevention solutions for Power Plant APC Systems
